P11 Cam-Rise Self Closing Hinges

PART No: P11Z

FEATURES

The Original P11 Hinge, still outperforming the competition for the last 50 years.

Australia's most commonly used refrigeration hinge for Small/Medium insulated doors, under-bar and bottle fridges.

The Cam-Rise action allows the door's own weight to self-close.

The CRH P11 Hinge is the Original P11, Beware of Cheap ‘SQUEAKY’ imitations with White Nylon Cams which are not weight rated, discolour over time, leaving a grimy appearance, compromising the finish of the product.

- Genuine P11 Hinges are Sold in Pairs, Left or Right hand or in Cartons of 50 Hinges.
- Available in Chrome or Black Powder coat
- Include Nylon Hinge Packers
- Recommended weight limit: 25kg Maximum per pair

Genuine CRH P11 Hinges are packaged in CRH Branded Hang Sells or Cartons.
