ADDITIONAL INFORMATION

The twin wheel low profile design not only increases maneuverability but increases load capacity to the Richmond Utility Castor. Available in a plate or bolt fitting this castor is commonly used in shop fitting applications, light duty cabinets, home entertainment units and other furniture. Zinc plated, pressed metal construction provides an attractive corrosion resistant finish and is available with the choice of nylon or grey non-marking wheels.

The S2716B manufactured by Richmond is a swivel frame castor and features 2 nylon wheels. This swivel castor is in our utility series twin wheel range and has a maximum capacity of 70kg. The S2716B wheel is fitted with plain bearings. The swivel frame allows the load to be steered. The diameter of the nylon wheels is 50mm, the wheels width is 2 x 17mm and can be ordered separately. This model can also be ordered without a brake (part number S2716).
